Eye cancer warning:

I did this scanlation because there have been no new releases for this manga for years and I wish to see it finished one day.

Regardless, this is just a quick-and-dirty scanlation. The translation quality isn't the best (I'm no English native speaker, so the English is probably pretty awkward) and especially the editing is horrible.

Only proceed if your eyes can take it! ;)

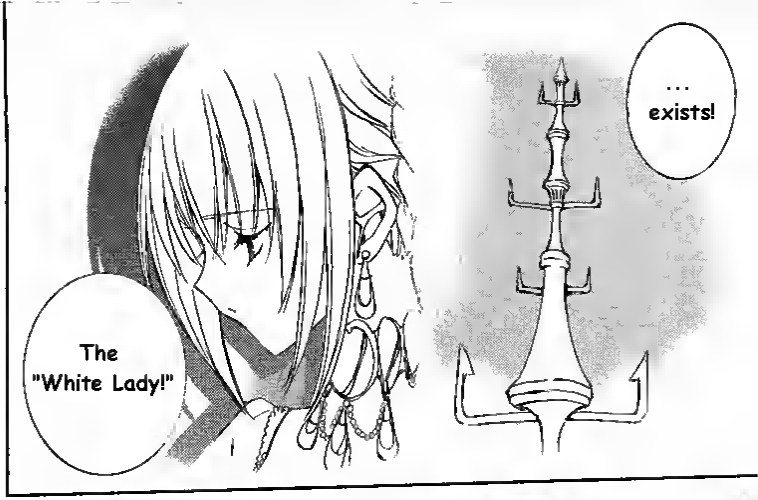
Metalica ...?
If you could charter a flying ship or something
Hmm... But there are only a limited number of ways to go to this continent!
Eeh?!
A person who could do that
That's about the level of a nation's budget!
You'd have to be incredibly rich to do that!



The "White Lady!"
... exists!

Thot's a good idea!
Let's all go there right naw and talk with them!
I see!
Yau mean White Heart-sama, the anly daughter af the Heart Quest Campany?

BOTH RINGO AND I ARE ANDROIDS AT OUR SCHOOL
ALONG WITH NEI, MIRU AND RURU, THERE ARE A TOTAL OF FIVE CONFIRMED ANDROIDS AT OUR SCHOOL
NORMALLY, ALL ANDROIDS EXIST ONLY ON THE WHIM OF THEIR OWNER
HOWEVER, THAT IS NOT ALWAYS THE CASE
FOR EXAMPLE, THEY COULD EXIST AS STUDENTS
THAT IS THE ONE KNOWN CASE WHERE AN ANDROID CAN BE GIVEN SOME LEISURE TIME
